

ADDITIONAL APPROVED SERVICES

As our Team works on a staged opening up process, we have added additional services that do not require direct contact with our Citizens, and are considered a one time in/out service.

Effective **Wednesday, May 27, 2020**. Hiawatha First Nation will be granting access to the following services:

- 1. Landscaping and Gardening Services**
- 2. Exterior Window Cleaning**
- 3. Non-Essential Outdoor Construction (garages, sheds, decks etc)**

The above services **MUST** adhere to the same guidelines as other approved services

- Social distancing rules apply (6 ft apart)
- Must remain outside of the property and provide contactless service
- Advance notice **MUST** be submitted to Donna 2 days **PRIOR** to allow for permission to enter.
- Delivery or Service provider must provide name and address of location/home owner
- Obtain a Building Permit as required (see attached)

Should you have any questions, please contact Trisha Shearer, First Nation Administrator
