

Construction Update- L.I.F.E. Services Centre

As you are aware, the Province of Ontario announced that some essential construction projects could reopen, as long as they meet “strict public health measures and operate safely during the COVID-19 outbreak”. They announced this on Friday May 1, 2020 to take effect at 12:01am Monday May 4, 2020.

HFN staff and Council are working closely with the construction company hired for the expansion to ensure that all Provincial and HFN specific guidelines are in place before the construction will be allowed to recommence.

Please note that we will update you with further information as soon as possible. We appreciate your patience as we work through this crisis.

Miigwech,

Trisha Shearer
