

HFN Public Boat Launch Notice

Please note that at this time the HFN Public Boat Launch is only open for use to Hiawatha First Nation (HFN) citizens and their spouses, permanent HFN residents (lessees), and Otonabee-South Monaghan (OSM) permanent residents. If you reside on Hiawatha Line, Paudash St., Lakeshore Rd., Angela's Lane, Sopers Lane, Kent's Bay Rd., Maple Rd., Cowe St., Hatrick Rd, Ivey Lane, or Thompson Rd. you are permitted to use the boat launch.

Also, please note that everyone must adhere to the signage that is currently present at the boat launch. Please park along Paudash St. East and not down at the boat launch, as it needs to stay clear for our emergency services to have access to the fire hydrant. If your vehicle is parked in a non-parking zone it will be towed at your expense. This will be monitored and enforced daily.
