If you have access to social media please go to www.health.gov.on.ca and search “COVID Vaccine Screening and Consent forms”. Please familiarize yourself specifically with the **Attestation and Consent as it is strongly recommended that you take these** completed forms with you on the day of your appointment. If you cannot get access to these, both forms will be available at the clinics.

It is **IMPERATIVE** you speak to your health care professional if you have any questions or concerns about whether the vaccine is right for you. Further information on Pfizer and Moderna have been made available on our website.

For those at higher risk and requiring their vaccination at Peterborough Regional Health Centre please contact Lori Webster at 705-295-4421 to make arrangements.

We recognize this is a very short time line, so please help us by spreading the word and sharing with those eligible to be vaccinated!
